Scanning solutions

Do you have a multi functional devided you are not using to it's full capacity? Got desktop scanners you don't know what to do with? Want to scan archival or business documents but don't have the time or know what hardware and software to purchase?

We can help you;

- Analyse your business needs, workflows and processes
- Provide the right scanner and scanning software for you
- Acquire quotations
- Install scanners and scanning software
- Advise on where to outsource what sort of scanning (archival or business)
- Train staff
- Write procedures
- Scan collections for you
- Advise on how to quickly have your scanners maintained locally
